October, 2003

The Beises France

La Fonderie, the Arts Ministry Jim organized is going well with about 80 people participating regularly. Angela has been involved with the Alpha Course which is starting again. She will also be returning to Mississippi to speak at a women's retreat in mid October. The Beise's two older children, Brian and Melissa, have started back to school in Paris and their other daughter, Rachel will be home schooled for another year. Michael, their 8 year old son with special needs will have surgery on his feet next June. Also pray for Michael's opportunity to start school in their area. This has been an especially difficult thing to accomplish. He was recently asked to attend a school for a two week trial period to see if he can be offered a spot. Pray for his teachers and for Michael. Pray for Jim and Angela to find living quarters closer to Paris, where they spend most of their time.

The Boses Guinea-Bissau

Holly and Stephen have recently arrived there to work with Youth with a Mission alongside the Wilson's. They ask for prayer for continued good health, finding a car, language acquisition and cultural integration.

The Coxes Botswana, Africa

Since arriving in Botswana, Derrell has been diagnosed with an aggressive form of Rheumatoid Arthritis, large dogs in their neighborhood attacked their son, Jeremiah, and their home has been broken into several times and they are rightly concerned for the safety of their children. Pray for the physical and spiritual safety of the whole family as they conclude their first year on the mission field. Pray for God's guidance to the area of His choice.

Chris Hena Kazakhstan

Pray for Chris' recovery from cancer and her much anticipated return to her ministry in Kazakhstan in late October or early November. She will be in Texas as she finishes her treatments and has her final doctor's visits. She again thanks all who have been praying for her recovery.

The Chackos India

Matthews is recovering well from his broken wrist, but was still wearing a soft bandage at last report.

The Lovealls Guatemala

Remember Andrew's wife, Becky, who is due to deliver their child in October. They also ask prayer for their clinic in Patzun, their teaching program, the feeding program in Mocolicxot, and the new school in Antigua. Please pray for the pastors in the villages.

The Anyomis Ghana, Africa

The staff of ACM are helping to meet the needs of the refugees crossing the border from Liberia during their recent conflict. The Anyomis request prayer for the protection of the ACM leadership and their families from the attacks of the enemy to discourage them through vicious spiritual and physical attacks. Pray for abundant financial provision for the ministry and those dedicated to it.

The Nassers Lebanon

Pray for the Nassers success handing out New Testaments and tracts and showing the Jesus film. They are in need of funds to provide more Bibles and other materials to the Druze and Muslims with whom they come in contact.

The Banales Mexico

Please pray for Jose's mother and Audrey's father. They have both been having health problems. The Banales will be returning to the US in December to begin a years furlough.

The Kuneys Honduras

The Kuneys returned to Honduras and their work at Seis de Mayo. Pray for their daughter, Amy, who is still dealing with the gruesome death of their missionary friend Todd Fields. Pray for the Fields family.

The Hoffmans Russia

The Hoffmans cherish your prayers for them and for the people of Russia, that the Lord will continue to do His mighty work in this place.
